

## Privacy Policy for Cloxer

*Last Updated: September 12, 2025*

### Overview

Cloxer is a mobile application designed solely for entertainment and personal use. We are committed to respecting and protecting your privacy. This app does not collect, transmit, store, or share any personal or sensitive user data.

### Data Collection

#### No Personal Data Collected

Cloxer does not collect any personal information such as your name, email address, phone number, or location.

#### No Sensitive Data Access

The app does not request or access sensitive permissions (e.g., contacts, camera, location, microphone, installed apps).

#### No Analytics or Tracking

Cloxer does not use any third-party analytics, advertising SDKs, or cookies. Your activity is not tracked.

There are **no hidden SDKs, ads, or trackers** in Cloxer.

### Data Storage and Usage

#### Offline-Only Use

All content and interactions remain entirely on your device. No internet connectivity is required to use the app's core features.

#### No Data Transmission

The app does not send or sync any data to external servers.

### Age Restriction

Cloxer is intended for users 18 years of age and older due to the mature or relationship-themed nature of its content.

By using the app, you confirm that you meet the age requirement.

# Permissions

The app may request basic permissions strictly required for its features to work (e.g., vibration or sound).

No permission is used to access or transmit personal data.

## Data Security

Since we do not collect any data, there is **no risk of misuse, leaks, or breaches** related to personal information. The app operates fully on-device with no connection to cloud servers or third-party APIs.

## No Internet Connectivity

Cloxxer works **entirely offline**. It does not require an internet connection and does not transmit any data to us or any third parties.

## Compliance

Cloxxer is fully compliant with global privacy regulations, including:

- **GDPR** (General Data Protection Regulation – EU)
- **CCPA** (California Consumer Privacy Act – USA)
- **Google Play Developer Policies**
- **Apple App Store**

We are not subject to these regulations' data rights provisions because we do not collect or process personal data in any form.

## Changes to This Policy

If we ever introduce features that require data collection, we will update this privacy policy and provide **clear, prominent notice and consent** before any changes take effect.
