

Privacy Policy - Bug Report Application

Effective Date: June 08, 2025

Bug Report ("we", "our", or "us") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our mobile application ("App").

Your Privacy is Our Priority:

We have designed Bug Report with a privacy-first approach. All collected data is stored exclusively on your device. No personal data is transmitted to our servers or shared with third parties unless explicitly authorized by you.

Information We Collect:

With your consent, the App may access:

- Contacts (permission status)
- Location (approximate)
- Installed apps and usage stats
- Clipboard content and IP address
- Device identifiers and Ad ID

Use of Information:

We use your data to:

- Display tracking diagnostics and behavior reports
 - Help manage permissions and explain exposure
 - Let you export, view, or delete your data locally
- We do not profile, advertise, or use remote analytics.

Platform-Specific Notes:

- On Android, permissions are requested as needed.
- On iOS, data access may be limited due to restrictions.

Your Rights (GDPR & Similar Laws):

If you're in the EEA or similar regions, you can:

- Access, correct, or delete your data
- Withdraw consent at any time

Since data is stored locally, these rights are built into the app.

Security:

Your data is stored securely on your device. Use the "Clear Data" option to manage it regularly.

Children:

The App is not for users under 13. We do not knowingly collect data from children.

Policy Changes:

We may update this policy. Updates will be shown in-app and include a new effective date.
